

Watershed Forum
Preconference Short Course
A Users Guide to Urban BMPs in the Chesapeake Bay
Thursday, September 27, 2016
10:00 AM – 5:00 PM

Workshop Resources

- I. A Primer on the Bay Pollution Diet
 - a. Overview of the 2016 Milestone Evaluations:
<http://chesapeakestormwater.net/2016/07/2016-milestone-evaluations-out/>

- II. Good Urban Recipes to Meet the Bay Pollution Diet: A Quick Overview of the BMP Options Available in Your Community
 - a. Urban BMP Fact Sheets:
<http://chesapeakestormwater.net/2015/06/urban-bmp-fact-sheets/>

- III. Stormwater Practices for New and Redevelopment Projects:
<http://chesapeakestormwater.net/bay-stormwater/urban-stormwater-workgroup/performance-standards/>
 - a. Fact Sheet: <http://chesapeakestormwater.net/download/5973/>
 - b. Expert Panel Report: <http://chesapeakestormwater.net/download/3706/>
 - c. FAQ Document: <http://chesapeakestormwater.net/download/3809/>
 - d. Bay State Stormwater Compliance Spreadsheets:
<http://chesapeakestormwater.net/training-library/state-specific-resources/>
 - e. CSN Technical Bulletins:
 - i. Design in the Coastal Plain:
<http://chesapeakestormwater.net/2012/03/technical-bulletin-no-2-stormwater-design-in-the-coastal-plain/>
 - ii. Design for Karst:
<http://chesapeakestormwater.net/2012/03/technical-bulletin-no-1-stormwater-design-guidelines-for-karst-terrain/>
 - iii. Ultra-Urban Design: <http://chesapeakestormwater.net/wp-content/uploads/downloads/2012/02/CSN-TB-5-Redevelopment-V3-5-1-2011.pdf>
 - f. Urban BMP Verification Guidance:
<http://chesapeakestormwater.net/download/3752/>
 - g. CSN Pond Protocol: <http://chesapeakestormwater.net/download/6961/>
 - h. Archived webcast: <http://chesapeakestormwater.net/events/webcast-ms4-implementers-and-the-bay-tmdl-crediting-bmps-used-for-new-and-redevelopment/>

- IV. Stormwater Retrofits: <http://chesapeakestormwater.net/training-library/urban-restoration-techniques/stormwater-retrofits/>
- a. Retrofit Fact Sheet: <http://chesapeakestormwater.net/download/5970/>
 - b. CBP Expert Panel Report: <http://chesapeakestormwater.net/download/3712/>
 - c. Retrofit FAQ Document: <http://chesapeakestormwater.net/download/3809/>
 - d. CWP Stormwater Retrofit Manual: <http://chesapeakestormwater.net/download/3658/>
 - e. CSN Pond Protocol: <http://chesapeakestormwater.net/download/6961/>
 - f. Archived CSN Webcasts:
 - i. Accounting for Urban Stormwater Retrofits and Urban Filter Strips: <http://chesapeakestormwater.net/events/webcast-ms4-implementers-and-the-bay-tmdl-retrofits/>
 - ii. Retrofitting Revisited: <http://chesapeakestormwater.net/events/webcast-retrofitting-revisited/>
 - iii. Innovations in Green Infrastructure: Best Practices for Retrofit Delivery: <http://chesapeakestormwater.net/events/webcast-innovations-in-retrofit-delivery/>
- V. Urban Nutrient Management: <http://chesapeakestormwater.net/training-library/urban-restoration-techniques/urban-fertilizer-management/>
- a. Fact Sheet: <http://chesapeakestormwater.net/download/5982/>
 - b. CBP Expert Panel Report: <http://chesapeakestormwater.net/download/5474/>
 - c. UNM Slide Show: http://chesapeakestormwater.net/wp-content/uploads/dlm_uploads/2016/10/Bay-Friendly-Lawn-Care.pdf
 - d. Identification of High Risk Lawns for Water Quality: Guidance for Chesapeake Bay Communities: <http://chesapeakestormwater.net/download/6448/>
 - e. Verification Guidance: <http://chesapeakestormwater.net/download/3752/>
 - f. Archived CSN Webcasts:
 - i. Urban Nutrient Management to Help Restore the Chesapeake Bay: <http://chesapeakestormwater.net/events/webcast-urban-nutrient-management/>
 - ii. Managing Nutrients in Residential and Recreational Areas: <http://chesapeakestormwater.net/events/webcast-unm-1/>
 - iii. Managing Nutrients on Golf Courses: <http://chesapeakestormwater.net/events/webcast-unm-2/>
 - iv. Identifying and Targeting High Risk Turf Areas using GIS: <http://chesapeakestormwater.net/events/webcast-targeting-urban-nutrient-management/>

- v. The State of Urban Nutrient Management:
<http://chesapeakestormwater.net/events/webcast-unm-state-program-review-2/>
- VI. Street Cleaning: <http://chesapeakestormwater.net/training-library/urban-restoration-techniques/street-sweeping/>
 - a. CBP Expert Panel Report:
<http://chesapeakestormwater.net/download/6756/>
 - b. Archived CSN Webcast:
<http://chesapeakestormwater.net/events/webcast-street-sweeping/>
- VII. Stream Restoration Practices: <http://chesapeakestormwater.net/training-library/urban-restoration-techniques/stream-restoration/>
 - a. Stream Restoration Fact Sheet:
<http://chesapeakestormwater.net/download/5979/>
 - b. CBP Expert Panel Report:
<http://chesapeakestormwater.net/download/3825/>
 - c. Harman Report: <http://chesapeakestormwater.net/download/5451/>
 - d. CWP Stream Restoration Manual (#4):
<http://chesapeakestormwater.net/download/3574/>
 - e. Archived CSN Webcasts:
<http://chesapeakestormwater.net/events/webcast-urban-stream-restoration/>
- VIII. Nutrient Discharges from Grey Infrastructure:
<http://chesapeakestormwater.net/training-library/urban-restoration-techniques/illicit-discharge-prevention/>
 - a. CBP Expert Panel Report:
<http://chesapeakestormwater.net/download/4850/>
 - b. Profile Sheets for Individual Nutrient Discharges:
<http://chesapeakestormwater.net/download/6483/>
 - c. IDDE Manual: <http://chesapeakestormwater.net/download/3604/>
 - d. Archived CSN Webcasts:
 - i. Crediting Nutrient Discharges from Grey Infrastructure:
<http://chesapeakestormwater.net/events/nutrient-discharges-from-grey-infrastructure/>
 - ii. Discharge Discovery Techniques:
<http://chesapeakestormwater.net/events/webcast-discharge-discovery-techniques/>
- IX. Wastewater and Septic Upgrades
 - a. CBP Expert Panel Report:
<http://chesapeakestormwater.net/download/4710/>

- b. Archived CSN Webcasts: Crediting On-Site Wastewater Treatment Systems in the Bay Watershed:
<http://chesapeakestormwater.net/events/crediting-on-site-wastewater-treatment-systems-bay-tmdl/>

All Archived Webcasts can be found here: <http://chesapeakestormwater.net/training-library/archived-webcasts/>

All Fact Sheets can be found here: <http://chesapeakestormwater.net/2015/06/urban-bmp-fact-sheets/>

All Expert Panel reports can be found here: <http://chesapeakestormwater.net/bay-stormwater/urban-stormwater-workgroup/>

All Urban Watershed Restoration Techniques can be found here:
<http://chesapeakestormwater.net/training-library/urban-restoration-techniques/>

All other training materials here: <http://chesapeakestormwater.net/training-library/>
