

The Runoff Rendezvous

A Virtual Bay-Wide Stormwater Partner's Retreat

Seeing the Forest through the Trees in the
Chesapeake Bay Watershed

AGENDA AND REMINDERS

Today's Agenda:

- Quick Introduction
- 4 Mini-presentations from our panelists
- Panel Discussion
- Audience Q&A – Through the “Chat/Q&A” features

- We are recording today's session – slides and recording will be posted here:
 - <https://chesapeakestormwater.net/events/seeing-the-forest-through-the-trees-in-the-bay-watershed/>

OPENING POLL QUESTIONS

Which of the following best describes you:

- I am a stormwater professional
- I am an urban forester
- I can't be labeled

OPENING POLL QUESTIONS

Which of the following do you see as the biggest challenge to increasing urban tree delivery in your area?

- Tree maintenance concerns
- Lack of financial/crediting incentive
- Lack of land/opportunity
- Keeping up with tree loss from development
- Barriers in local codes/ordinances
- Other – Tell us in the chat

Tree Planting in the Context of the Chesapeake Bay TMDL

The Many Tree BMPs:

1. Urban Tree Canopy
2. Urban Forest Planting
3. Riparian Buffer Planting

FRAMING TODAY'S DISCUSSION

HOW DO WE INCREASE IMPLEMENTATION OF FORESTRY PRACTICES

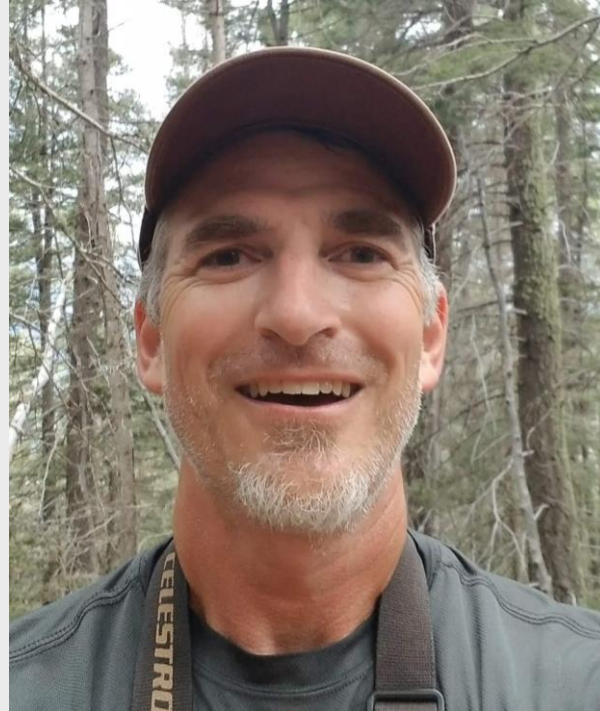

- How do we leverage partnerships and collaborations to “ramp up” implementation?
- How do we better incentivize tree BMPs in urban spaces?
- How do we build equity into tree canopy programs?
- How do we ensure the long-term sustainability of these efforts?

Today's Panelists

Sally Claggett
U.S. Forest Service,
CBPO

Ashley Traut
Greater Baltimore
Wilderness Coalition

Kate Gordon
RK&K

Ann Jurczyk
Chesapeake Bay
Foundation
