The Chesapeake Bay Stormwater Training Partnership:

A training program for stormwater management professionals created by the Chesapeake Stormwater Network and the Center for Watershed Protection. Sponsored by the National Fish and Wildlife Foundation's Chesapeake Bay Stewardship Fund.

Workshop Brought to You By:

Purpose:

Training for local governments to inspect the new generation of urban BMPs during and after construction and maintain them for the long run.

We will discuss bioretention, permeable pavement, green alleys, and several other Low Impact Development-style practices.

Instructors:

Tom Schueler &
Cecilia Lane
(Chesapeake Stormwater Network)

Ted Scott
(Stormwater Maintenance & Consulting)

David Hirshman &
Laurel Williamson
(Center for Watershed Protection)

Guest Speakers:

Chris Sonne
(Civil & Environmental Services LLC)

Karlee Copeland
(Fairfax County, VA)

Paul Santay
(Stafford County, VA)

Deadline to Register is October 4th

To Register: Contact Gay Stokes at

Gay.Stokes@richmondgov.com

Registration limited to 60.
