

## Appendix D

### Directory of Local Programs in the Chesapeake Bay Watershed that Provide Technical and Financial Assistance to Homeowners

The following is a list of programs in the Chesapeake Bay Watershed that provide technical (T), financial (F) or other (O) types of assistance to homeowners installing stewardship practices on their residential property. Since several of the programs provide assistance on a watershed basis, multiple communities may benefit from a particular program and so the programs have been grouped geographically rather than alphabetically.

Organization	Name of Program	Website	Type of Assistance		
			F	T	O
Alliance for the Chesapeake Bay	Chesapeake Riverwise Communities	<a href="https://allianceforthebay.org/category/our-work/riverwise/">https://allianceforthebay.org/category/our-work/riverwise/</a>	x	x	x
