

**SAVE THE DATE!**

**August 7-8, 2014**

**MID-ATLANTIC GREEN ROOF  
SCIENCE & TECHNOLOGY  
SYMPOSIUM**

**REDIFINING GREEN ROOF SCIENCE**

**MID-ATLANTIC GREEN ROOF  
SCIENCE & TECHNOLOGY  
SYMPOSIUM**

Standards for green roof performance have not been established. The MGRST symposium is dedicated to disseminating results of scientific research that will lead to the establishment of green roof performance standards for the Mid-Atlantic region. Topics include:

- **Striving for green roof standards**
- **Engineering discharge**
- **Optimizing ET**
- **Modeling performance**
- **OM impact on hydrology**

**Registration: [www.mgrstsymposium.eventbrite.com](http://www.mgrstsymposium.eventbrite.com)**

**Location: University of Maryland**

**College Park, Maryland**

**Symposium contact: Dr. Steven M. Cohan, (301) 405-6969 [scohan@umd.edu](mailto:scohan@umd.edu).**
