### Why Support the Chesapeake Stormwater Network?

[www.chesapeakestormwater.net/donate](http://www.chesapeakestormwater.net/donate)

#### TRAINING THE WATERSHED WORKFORCE

CSN provides 10,000 training hours each year to stormwater professionals.

Since 2011:

Over 95 webcasts

100+ On-site training workshops

25+ regional stormwater forums

#### TECHNICAL RESOURCES for YOUR NEEDS

CSN addresses emerging issues while also providing tools to improve stormwater management fundamentals.

Developed Dozens of Technical Bulletins on Design and Maintenance of Stormwater BMPs

Coordinated 10+ BMP Expert Panels to Define Bay Nutrient Removal Rates

Summarized Research on Bacteria, Toxic Contaminants and other Emerging Issues

#### CONNECTING STORMWATER PROS

CSN works to connect researchers, regulators and practitioners across our 11,000 member network.

Our MS4 Portal provides resources tailored for local governments

Ad-free website full of free resources

The Stormwater Scoop and MS4 Monthly newsletters keep members in the loop

#### What Your Donation Supports

Your gift will mean more:

- Regional stormwater forums
- Free webcasts from national stormwater experts
- Research summaries on topics you care about
- Practical tools and resources added to CSN website
- Efforts to strengthen Bay crediting protocols
- Links to connect public and private sector efforts to restore the Bay
